- A map of the festival showing your booth location.
- Parking Permit (ZONE CARD). Please place this card on the driver's side dashboard of your vehicle. This card must remain on your dashboard at all times during the festival in order to expedite the unloading, parking, restocking and loading process.
- Exhibitors and vendors will receive identification badges. We ask your cooperation in wearing these so that we can easily assist you as needed during the festival. You'll also need these to access the Hospitality Suite.
- Hospitality Suite phone number will be provided so you may contact the Hospitality Suite if you need assistance. Booth sitting services will be available.

After check-in, you'll be able to drive up to your booth to unload. All vehicles must be removed from the unloading area by 5pm Friday.

Displays

Displays should be professional and aesthetically pleasing. Unless you have specifically ordered a tent through Splash Festivals, exhibitors must provide their own means of display, which should be sufficiently sturdy to withstand weather and large crowds. Each exhibitor is responsible for his or her own display in case of loss or damage. All work, display and storage may not extend beyond the assigned exhibitor space (10' deep x 12' wide). Your booth should not interfere with your neighbor's space.

Tent Set-up

Staking of tents is allowed. All spaces are on grass. If you use weights, they should rest on the ground and not dangle. Each weight should be at least 40lbs per tent leg. Do not use water jugs, as they do not provide enough weight. If you ordered a tent through us, it will be set up for you on Friday.

Parking

Exhibitor parking is located within the festival area. Your assigned area is based on your booth location and by design will make it easier for you to park and then be able to approach your booth Sunday evening to load. Artist and Sponsors will park in lots A or B. Please refer to your booth assignment listing to find your area.

Other

Exhibitor Rules of Etiquette

We love all of our artists, sponsors, vendors and non-profit groups. You are our guests, and we are truly grateful that you are part of the festivities! **To be fair to everyone, however, please refrain from distributing literature or other advertising materials from beyond your booth space. It is important that you promote yourself and your amazing products, but you must keep your sales pitch from disturbing or distracting customers away from your neighbor's spot.** Also, please refrain from bringing a face painter or caricature artist to participate in your booth, as it is a conflict with the face painting and caricature artist vendors. If you need any help in designing your booth and coming up with creative ways to advertise your business or if you are unsure if certain promotional items or products are allowed, please contact Frances Schube at 470-342-5797. We appreciate your cooperation!

Smoking Policy

We ask that if you must smoke, please take a break and visit the designated Smoking Area near the port-a-potties on the far west side of the festival area.

Food Vendor Coupons

If food vendors receive any of these during the Festival, they may redeem them for cash from Mike Schube at the end of the event. You may reach him at 770-235-7152.

Fire Marshall Inspection

The Johns Creek Fire Marshall will be inspecting food vendor set ups on Friday, October 18, or Saturday morning October 19. If you will have open flame cooking, an ABC type fire extinguisher will be required. If you will be frying, a K type fire extinguisher will be required. ***You must have a flame-certified tent.*** Propane cylinders must be secured to prevent being knocked over. Grills must be placed a minimum of ten feet from your tent or adjacent tent. Sufficient room will be provided adjacent to your tent for grilling if you have indicated you will bring a grill. Do not encroach or cross over the power cords that may run behind your booth. All tents must be staked or properly weighted.

Restocking

If you need to restock Sunday morning, please arrive between 9am and 9:30am at the barricades at the festival entrance. Your Zone Card will be required for entry. **For security reasons, do not attempt to access your booth from another location.**

Load-out

Please keep your booth open until 5:00PM on Sunday. At the close of the festival, you must break down your booth prior to moving your car from your parking area to the loading area. In the event of rain, you may keep your tent up until you bring your vehicle. Even numbered booths should access their booths in the middle of the two rows of tents. Odd numbered booths will access their booths from the outside ring of booths. Most exhibitors will be able to pull directly behind or in front of their booths to load. All booths must be removed from the festival grounds by 8:00PM Sunday.

By participating in this Festival, you agree that neither Splash Festivals, Inc., the City of Johns Creek, the Atlanta Athletic Club, nor their agents or representatives will be responsible for any injury, damage or loss that may occur to the exhibitor or vendor, their agents or representatives or his or her property, regardless of the cause.
